

Why Join a Garden Club?

- To be a member of the largest volunteer organization of its kind in the world.
- To learn more about the environment and what you can do in your own home.
- To be part of an organization that offers activities for involvement, including flower arranging, horticulture, environmental studies, garden therapy, youth activities, art appreciation and conservation and preservation of natural resources.
- To support an organization that annually provides \$17,000 for nine or more college scholarships in study fields related to garden objectives, agriculture, ecology, horticulture, landscape architecture, horticulture and environmental issues.
- To be a sponsor of youth activities, conferences, a six week summer nature camp, camperships and youth scholarships.
- To belong to an organization that offers continuing education with Flower Show Schools, Symposiums, Landscape Design Courses, Gardening Study Courses, Horticulture Study courses and environmental Studies Schools.
- To develop your leadership skills by learning how to educate your community on air quality, beautification, litter control, clean water practices, groundwater protection, landscaping, etc.
- To be part of a movement that establishes bird and tree sanctuaries and urban backyard habitats for wildlife.
- To become a better informed citizen by receiving information on pending legislation from FFGC and NGC and learning what actions to take to deal with our issues.
- To learn about environmental landscape management and drought resistant native plants, wildflowers, trees and shrubs.

TAMPA FEDERATION OF GARDEN CLUB CIRCLES, INC.

MEMBERSHIP FORM

The Tampa Federation of Garden Club Circles, Inc. is a member of the Florida Federation of Garden Clubs and the National Council of State Garden Clubs, Inc.

The mission of the Tampa Garden Club is to further educate members and the general public in the fields of gardening, horticulture, botany, floral and landscape design, conservation of natural resources, environmental concerns, civic beautification, solid waste management, and nature studies.

Membership in the Tampa Garden Club is made up of individual neighborhood Garden Circles located in the Tampa area. Each Garden Circle chooses a representative to serve on the Board of Directors of the Tampa Garden Club. All members of these Garden Circles are welcome to serve in a volunteer position in various capacities for the club.

At large membership in the Tampa Garden Club is also available.
